JetNet 3008G V2

Industrial 8-port Unmanaged GbE Switch

- 8 Gigabit Ethernet Ports with Auto MDI/MDI-X
- 10K bytes Jumbo frame for large file transmission
- IEEE 802.1p Quality of Service (QoS) for packet forwarding precedence
- Broadcast storm packet filtering
- Dual DC 9~60V power inputs

- Port and power event alarm
- IR30 rugged aluminum case

People & Technology. Connected.

We are a people company. Our experienced, skilled and passionate people empower you to meet your challenges through best-in-class, user-friendly solutions. We are a technology company. We help you optimize processes through our software, hardware and services, and through our support. Connecting people and technologies gives you the means to accomplish your goals and ambitions, and gain a competitive edge in today's digitalized world.
